Schools' Week of Cricket

2017 Programme

**CRICKET
SCOTLAND**

**CRICKET
SCOTLAND**

Dear Teacher in Charge of Cricket,

Please find details of the **2017 Cricket Scotland Schools Week of Cricket**.

We are once again delighted to announce yet another enhanced programme in a year in which we hope to do even more to attract more and more school aged children to make cricket their sport of choice. In addition to the following programme of old favourites and venues:

ScotRail Primary Schools Cup
Secondary School Girls (S1-3)
Secondary School Girls (S4-6)
Cricket Factory BIG Blast! (S1-3)
National Secondary Schools Cup - T20 (S1-3)

this year is the inaugural **Girls Only Primary Schools Tournament** at New Williamfield, Stirling.

With the exception of each of the Girls Only tournaments each of the Finals Days will be the culmination of regional qualifying tournaments during April and May. Once again, each of the tournaments has an emphasis on participation and fun, for many this will be their first experience of cricket and, hopefully, an experience so good that it will last a lifetime - teachers too!

There will, of course, be a winner of each tournament but throughout all of these competition's many rounds the emphasis for all involved from participant to coach, from parent to head teacher is on FUN!

If you are interested in entering your school into any of this year's competitions, please contact either your local cricket development officer, community coach or one of our Participation Managers.

Yours sincerely

Cricket Scotland
