West Regional Development Centre U14 Winter Training Programme, 2017 - 2018

Dear Club / Player / Parent,

The 2017 season was another hugely successful season for the Western Warriors U15. The Cricket Scotland U15 Inter-Regional Championship trophy was won for a third season in a row, but an equally pleasing aspect was the development of players within the matches.

Moving forward, there will be a slight change to the age groups for the winter training programme – changing to U14s and U16s. However, the programme remains focussed on player development. Therefore, the West Regional Development Centre (WRDC) is inviting applications from players who are interested in being considered for the 2017 – 2018 WRDC U14 Winter Training Programme.

As always, the WRDC has been tracking players all season – through a variety of different methods. However, we are aware that this process is unlikely to have been totally comprehensive and, for various reasons, players may not have become easily identifiable during the season. We are also aware that some players may not feel able to commit to a full winter training programme. Therefore, as with previous programmes, we are inviting players to submit an initial ‘Application of Interest’. Any interested player should complete the attached form and return it, by 12:00 on Monday 16th October 2017, to: timhart@cricketscotland.com or by post to: Tim Hart, WRDC Director, Cricket Scotland, c/o **sportscotland**, Doges, Templeton on the Green, 62 Templeton Street, Glasgow, G40 1DA.

The applications will be reviewed and it is planned that there will be a Trial Session on Sunday 22nd October. Please be aware that there is no guarantee that all players who submit an application will be invited to the trial.

Following the Trial Session, the exact format of the winter programme will be announced along with the squad(s). Please note that winter training sessions will take place at Hutchesons’ Grammar School, on Sunday mornings, throughout the winter – and that there is no guarantee that players who have previously been involved in any WRDC / Western Warriors programme will be offered a place in this winter’s programme.

If you are a player who wishes to submit an application of interest in the 2017 – 2018 WRDC U14 Winter Training Programme please remember to fill in the attached application and return it to me by 12:00 on Monday 16th October.

If you have any queries on any of the above information please do not hesitate to get in contact.

Kind Regards.

Tim Hart
WRDC Director
