### Dumfries & Galloway 'D&G Cup' 2016

Following a successful trial programme during 2015, the Dumfries & Galloway Area Cricket Development Group is delighted to be able to announce that the 'D&G Cup' will be running during 2016.

The cup was introduced to try and create a way of increasing the opportunities for young cricketers from throughout all of Dumfries and Galloway to play matches against each other.

The 'D&G Cup' 2016 will feature two age groups teams from each of four clubs within the region – with the matches being two very different formats. At the younger age group (U10), the clubs will come together to run regional Kwik Cricket festivals. The older age group (U12) will hardball matches played between the clubs on a home and away basis.

There are points on offer for attending festivals, completing matches and for winning. However, the overall winner of the Cup remains a secondary consideration to getting more cricket happening.

With the Area Group also having committed to entering the West Region U12 Inter-Area Development Tournament, which will see four matches played (two at home and two away), it is set to be a busy summer for youth cricket in the region.

The Group has worked hard to make these opportunities become a reality – and thanks must go to the Group, and to all the clubs within the group, for their time-commitment and effort to the programme.
