Club News:

I am hoping to compile an accurate, and up-to-date, picture of the current volume of school and community delivery that is happening throughout the West Region. All Club Junior Convenors have been asked to return a spreadsheet which details their Club's delivery between January and June this year. It would be very much appreciated if this could be returned as soon as possible.

If your Club wishes to arrange a meeting with me (about any aspect of Club Development), could you please ask someone to get in contact and provide me with a couple of dates, times and a venue that would suit your Club. Recent Meetings: Inverclyde CC, Weirs CC.

Upcoming Meetings: Inverclyde CC, Uddingston CC.

Coaching News:

If any coaches are still awaiting an assessment for a previous UKCC Level 2 Coaching Course, please get in contact with me and we can arrange a suitable time for this.

If any Club is interested in running a Kwik Cricket Game Course please get in contact with me and we can arrange a suitable date.

School Cricket News:

Congratulations to all the west region schools who participated in the various competitions during the Cricket Scotland Schools' Week of Cricket: Eastwood High School, Holyrood Secondary School, Hutchesons' Grammar School, Kyle Academy, Lomond School and The Glasgow Academy.

All the schools performed very well – and can be very proud of their efforts. However, special congratulations must go to Lomond School who won the Cricket Factory Cup.

The Western Warriors have played three matches in their U15 Inter-Regional Championship – winning the game at Arbroath CC against the Caledonian Highlanders, losing to the Eastern Knights in a match at Clydesdale CC and defeating the Caledonian Highlanders at the same venue. The U15 squad has four more Inter-Regional matches this month. Good luck to all the players selected.

At the beginning of the season all Western Warriors players were contacted and were asked to keep a very simple statistical log of their performances in every match they played in. The players were then asked to return this to me twice per month. This was to aid the Western Warriors selectors with team selection. Some of the players have been very good at returning their statistics. Unfortunately, some others have not. If Club Junior Convenors wish to know whether or not players from your Club have been returning their statistics, please get in contact with me directly.

[Women's Cricket News:](#)

Cricket Scotland will be running a Girls' Kwik Cricket event on Sunday 24th August at Doo'cot Park, Perth. For more details about this, or any aspect of women's cricket, please contact Kari Carswell (KariCarswell@cricketscotland.com).

[Other News:](#)

Please remember that Cricket Scotland now has a new PVG Administrator. Ollie Rae will be dealing with all enquiries regarding PVG applications. Ollie can be contacted as follows: disclosures@cricketscotland.com.

Please find a "Legal Issues In Clubs" pdf attached to this newsletter. It was forwarded on to me by one of my West Regional Sporting Partnership colleagues – and I think it might be of interest to our cricket clubs.

The next update will be during August. If you think that you may have something of interest that could be included in this update please get in contact with me.

Kind Regards.

Tim
