

Dear Teacher in Charge of Cricket,

*Please find details of the **2018 Cricket Scotland School's Week of Cricket.***

We are delighted to announce an enhanced programme in a year in which we hope to do even more to attract more and more school aged children to make cricket their sport of choice.

The week will spread across two venues; the picturesque Doo'cot Park in Perth and New Williamfield in Stirling

*ScotRail Primary Schools Cup
CityLets Secondary School Girls (S1-3)
CityLets Secondary School Girls (S4-6)
BIGBLAST! (S1-3)
CityLets National Secondary Schools Cup - T20 (S1-3)
Girls Only Primary Schools Tournament*

Apart from each of the Girls Only tournaments the Finals Days will be the culmination of regional qualifying tournaments during April and May. Once again, each of the tournaments has an emphasis on participation and fun; for many this will be their first experience of cricket and, hopefully, an experience so good that it will last a lifetime - teachers too!

There will, of course, be a winner of each tournament but throughout all these competition's many rounds the emphasis for all involved from participant to coach, from parent to head teacher is on FUN!

If you are interested in entering your school into any of this year's competitions, please contact either your local cricket development officer, community coach or one of our Regional Participation Managers (see below).

Yours sincerely

Neil Cameron
