

START YOUR CRICKET SEASON RIGHT

9-13 April 2018

West of Scotland Indoor Nets

The Preseason Cricket Camp is running during the Easter break, taking full advantage of the indoor training facilities at West of Scotland Cricket Club.

Due to space, places are limited.

The camp is suitable for all hard ball cricketers (aged 14+) who have the aim of improving skills with bat and ball before the season begins. The indoor nets at West are the venue, and if weather allows, training will also be outside.

Sessions run daily 10am-12pm and 1pm-3pm. The cost is £20 per session or £75 for a block of five sessions (lunch not included). To book call Coach David Hinchliffe 07736320337 or coach@david25.com
